o Neurological disabilities

o Other disabilities (this category includes disabilities transversal to the previous ones such as multiple sclerosis, muscular dystrophy, liquid or solid tumor, etc.)

#### **KATA**

Athletes in both the individual and team events will be able to compete exclusively in their age class and only in one style and in the open if present.

In all categories divided by belt 2 tests will be performed if the number of participants is greater than 6 and 1 test if less than or equal to 6. In the team test, 1 test will always be performed.

#### **KUMITE**

Athletes in both the individual and team events will be able to compete exclusively in their age class and in the height/weight category if present.

Athletes will have to choose whether to compete in the Shobu Sanbon or Shobu Ippon specialty, both for individual and team events. It is not permitted to participate in the Shobu Sanbon in the individual test and in the Shobu Ippon in the teams, nor vice versa.

#### **Please note**

For anything not expressly reported in this circular, the WUKF regulations apply.

Any changes to the competition regulations that may be necessary for organizational purposes will be promptly published on the website [www.wukf-italia.it](http://www.wukf-italia.it) and on social media. However, they will be communicated during the referee and coach briefing before the start of the match days.
