- Intellectual disabilities
- Neurological disabilities
- Other disabilities (this category includes disabilities transversal to the previous ones such as multiple sclerosis, muscular dystrophy, liquid or solid tumor, etc.)

KATA AND KOBUDO

Athletes in both the individual and team events will be able to compete exclusively in their age class and only in one style and in the open if present.

In all categories divided by belt 2 rounds will be performed if the number of participants is greater than 6 and 1 round if less than or equal to 6. Black belt individual categories will perform always 2 rounds. In the team categories, 1 round will always be performed.

KUMITE AND CONTACT

Athletes in both the individual and team events will be able to compete exclusively in their age class and in the height/weight category if present.

Athletes will have to choose whether to compete in the Shobu Sanbon, Shobu Ippon or Contact specialty, both for individual and team events. It is not permitted to participate in the Shobu Sanbon in the individual category and in the Shobu Ippon in the teams, nor vice versa.

Please note

For anything not expressly reported in this circular, the WUKF regulations apply.

Any changes to the competition regulations that may be necessary for organizational purposes will be promptly published on the website www.wukf-italia.it and on social media. However, they will be communicated during the referee and coach briefing before the start of the match days.
